Dear Mr. Epner:

It is with great pleasure that I write to extend a sincere "thank you" to you and your company for your excellence in meeting ITT's GOES Program schedule requirements.

As you know from your visits to our Fort Wayne facility, our current seven-day/twenty-four-hour operation means "critical path parts" must flow on time! The high percentage of on-time deliveries we have received from you is a positive reflection of Epner's commitment to ITT.

Again, thank you for providing us with quality service. Keep up the good work. Our best wishes for continued success and for a most prosperous and Happy New Year.

Best regards,

**Mark C. Carpenter
