Brooklyn, NY 11222

Attention: Mr. David Epner, President

Subject: Clipper Mirror Project

Dear David,

On behalf of the TRW Optical Hardware Department, I want to thank you and your staff for the truly Herculean effort in turning our mirrors around so quickly.

The quality of the Laser Gold coating was incomparable, but indeed that is what we have come to expect from Epner Technology over the years.

Sincerely yours,

Frank Groark
Department Manager
